Betreft: HY-3, liquid preparation for mist generation used as optical protection against burglary.

Dear Mr. Stabile Roberto

Hereby I certify that your product "HY-3", in the same composition as you submitted to the Belgian authority, can be placed and commercialised on the Belgian market, for the purpose mentioned above as objet.

Packaging and labelling of this product has to be in respect to:

- Belgian Royal Decree of 11/01/93 dealing with labelling and packaging of dangerous preparations (Flammability: flash point between 21 and 55°C)
- European council directive N° 1999/45/EC concerning the approximation of the laws, regulations and administrative provisions of the Member States relating to the classification, packaging and labelling of dangerous preparations.

Yours sincerely,

R. Huysman
Senior environmental inspector
